Who is Nijhuis industries?

Nijhuis Industries delivers solid solutions for sustainable water use & resource recovery, with the highest level of intelligent innovations across a wide range of industries. We meet today's challenges as well as those of the future, as a response towards a CIRCULAR economy in a 'fluid' world.

Does Saur own Nijhuis industries & unidro?

Saur confirms completion of its acquisition of Nijhuis Industries, the Dutch leader in industrial water treatment solutions, initially announced on June 18 this year. The Saur Group will now bring Saur Industrie, Unidro and Econvert together with Nijhuis to form its new Industry Division.

Will Saur industry merge with Nijhuis?

As a result, Saur Industry, Unidro and Econvert will gradually merge with Nijhuis over the coming months to create the new Industry Division with effect from January 2021. It is therefore clear that this strategic investment by the Saur Group puts industry at the heart of its growth model.

Why should you choose Nijhuis industries?

To accommodate the customer requirements, Nijhuis offers customized installations, to create profit out of (waste)water, process water and waste. Turn Your Cost Center Into A PROFIT Center At Nijhuis Industries it is our mission to help customers to reduce, reuse and recover water and resources to create profit.
