## The Best New Solar Technology You've Never Heard Of

As technology continues to advance, the world is becoming more and more solar-friendly. Since there are a ton of advantages to solar technology, this is exciting news. Though 2020 has been a hard year, there have been huge breakthroughs for solar technology.

### ENERGY STORAGE SYSTEM

**Product Model**  
HJ-ESS-215A(100KW/215KWh)  
HJ-ESS-115A(50KW 115KWh)

**Dimensions**  
1600\*1280\*2200mm  
1600\*1200\*2000mm

**Rated Battery Capacity**  
215KWH/115KWH

**Battery Cooling Method**  
Air Cooled/Liquid Cooled

## Medical

Healthcare technology moves at lightening speed and NuEnergy Storage Technologies is up to the challenge of powering life saving devices and medical equipment. Our experienced team has manufactured custom medical battery packs for devices that monitor blood-glucose levels, help patients to breathe easier, eye instruments, and other battery

## Contact

NuEnergy Storage Technologies Headquarters:  
8900 Shoal Creek Blvd. STE 121 Austin, Texas

78757 Phone +1 512 675 3100 . Email sales@nuenergy . Feel free to contact us by telephone, email, or online today to learn more about how our expert team can provide an innovative solution for your application. ?. Find the Right Solution for your needs

## NuEnergy Storage Technologies LLC Terms and Conditions ...

NuEnergy Storage Technologies LLC Terms and Conditions of Sale . The following Terms and Conditions apply to any purchase of products ("Products") that you ("Customer") make from NuEnergy Storage Technologies LLC. ("NuEnergy"). 1. Application of Terms. The terms and conditions in this document exclusively govern and control,

## Products

Applications ranging from smart watches to electric vehicle mobility and energy storage solutions, NuEnergy Storage Technologies has provided high quality solutions to our customers for decades. We've been creating customized packs for our customers for over 20 years. Contact our office to discuss a custom pack that'll power your business.

## **Project Feasibility Study , NuEnergyTechnologies**

Successful projects involve far more than finding the cheapest available technology. While some companies simply sell their technologies, NuEnergy provides complete solutions. There are several reasons why an important infrastructure project, such as a renewable energy or water treatment project, would require a full feasibility study.

## **Jatropha Curcas & Energy Farming , NuEnergyTechnologies**

We provide a broad range of "green energy"

consulting services, grant writing, and feasibility studies to business and government entities exploring the application of renewable energy technologies to their operations. Additionally, NuEnergy offers systems integration and value-added engineering services in a variety of situations.

## About Us

NuEnergy is one of the world's leading suppliers of various high performance lithium-ion batteries and energy storage technologies. Lithium-ion batteries as a power source are dominating in portable electronics, penetrating the EV market, and on the verge of entering the utility market for grid-energy storage.
