# Photovoltaic panel JA Solar Class A product trademark

## Overview

---

Are JA Solar modules Class A?

JA solar modules have been listed as Class A according to IEC 61730-2 standard. For roof installations, modules should be mounted over a fire resistant covering suitable for this application, with adequate ventilation between the modules backsheet and the mounting surface.

What is a JA Solar jam54d41-440/lb?

The JA Solar JAM54D41-440/LB is a 440W premium cell solar panel with an all black design. This n-type Double Glass Bifacial Module is very efficient and operates with extremely low LID. Solar Panels are subject to a £150 ex VAT delivery charge up to 50 panels. This is due to being transported by pallet, which are on a 1-2 day service.

Are JA Solar modules self flammable?

It turned out that, during the Class A test conducted at Intertek, the JA Solar's Type-1 modules subjected to the test not only withstood the inferno-like heat without becoming self-flammable; the flame torch was not even able to burn through the PV panel.

Are JA Solar modules ul790 rated?

Consult your local authority for guidelines and requirements for building or structural fire safety. JA Solar modules have been listed as Class A (Both flame spread class A and burning brand class A) according to UL790 standard. Also, the building covering material fire resistance should be taken into consideration based on national building code.

Who is JA Solar?

ABOUT THE MANUFACTURER JA Solar was founded back in 2005 with the goal of providing high-performance photovoltaic products and, with currently 12 manufacturing bases and more than 20 branches around the world, produces

the highest quality silicon wafers, cells, modules and photovoltaic power stations.

Can a certification mark be fixed on a photovoltaic module?

n Photovoltaic Module The product was tested on a voluntary basis and complies with the essential requirements. The certification mark shown above can be a fixed on the product. It is not permitted to alter the certification mark in any way. In addition, the certification holder must not transfer the certifi

## Photovoltaic panel JA Solar Class A product trademark

### PV Solar products Manufacturer, Solar Panel Suppliers India - ...

As one of JA Solar emerging businesses in smart energy, JA Solar Energy Storage is a crucial part of the company's "one body, two wings" strategy. JA Solar Energy Storage is dedicated ...

### The Leading Solar System & Solar Products Provider Company
