Please rest assured to buy high quality products at competitive price from our factory. Also, custom service is available.

What is poweroad ESS?

Poweroad has adopted the all-in-one integration concept, integrating lithium-ion phosphate battery, BMS, PCS, EMS, air conditioning, fire system, and other equipment into the outdoor cabinet ESS, which with the best flexibility and cost-effectiveness. The system can flexibly scalable the battery cabinet according to customer needs.

Who is poweroad?

POWEROAD is one of the most professional outdoor ESS cabinet, ESS container manufacturers, suppliers and providers in China. We warmly welcome you to buy high quality products at competitive price from our factory. For custom service, contact us now.

Can poweroad be used as an emergency power source?

It can not only be used as an emergency power source, but also can be used at peak times, saving family expenses and improving the quality of life. POWEROAD provides a complete energy storage system for homeowners, which can meet the needs of various building types and demand profiles.

What is poweroad & how does it work?

POWEROAD provides a complete energy storage system for homeowners, which can meet the needs of various building types and demand profiles. With the increasing demand for commercial buildings and industrial estates, the

load peak-to-valley gap is expanding, requiring a more and more high-end and sustained power supply.

What is ESS container series?

ESS Container series is suitable for integrating solar assets for providing behind-the-meter applications, e.g., peak-shaving, backup power, micro-grid, and other ancillary services. POWEROAD is one of the most professional outdoor ESS cabinet, ESS container manufacturers, suppliers and providers in China.
