Price of Sunny PV Inverter

Overview

SMA offers a wide range of string inverters, suitable for just about all domestic solar PV systems. In addition to inverters we look at here, SMA also have a Megawatt range for.

SMA inverters typically come with a 10 year manufacturer warranty but this can be extended to as long as 20 years when certain conditions are met.

The potential cost of an SMA inverter will ultimately depend on the most suitable model for your solar PV system with more powerful models having higher price tags. They're all still relatively.
