Psw power and automation Cambodia

Overview

Who is PSW Power & Automation?

PSW Power & Automation delivers complete solutions within electrification and renewable energy. The company specializes in the design and integration of electrical power systems, electrical infrastructure, energy storage systems and control systems.

Does PSW power & automation have a green financing facility?

PSW Power & Automation AS has secured a green financing facility of NOK 32 million to fund energy storage solutions with DNB according to Sustainable Product Framework (dnb.no) The facility is planned to convert to a 5-year term loan upon delivery of the systems to end customers.

What is PSW Power & Automation & Uddevalla Energi doing?

Through this collaboration, PSW Power & Automation and Uddevalla Energi are not only addressing the immediate needs of the local power grid but are also contributing to the broader goal of a greener, more sustainable energy landscape in Sweden.

Does PSW Power & Automation decarbonise construction?

PSW Power & Automation's mobile DC fast chargers decarbonise construction PSW Power & Automation delivers mobile DC fast chargers for heavy machinery, helping to decarbonise the construction industry.

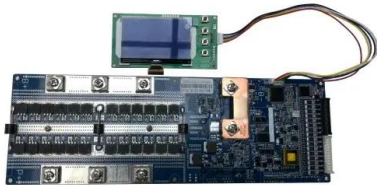

What is a PSW battery pack?

The battery pack is one of several innovations by PSW, which delivers complete solutions within electrification and renewable energy. Among these are mobile batteries and mobile DC fast chargers for zero-emission construction sites.

Why should you join pswpower?

It is ideal location for cost saving OEM manufacturing outsourcing of personal transportaion vehicles. You are cordially invited to join PSWPower family to become our local dealer and promote polution free personal electric vehicles. This is a fast growing market worldwide, and you will benefit and enjoy from such partnership if you are ready.
