### **Power & Energy Meters, Current Transformers and Energy ...**

Advancing critical energy infrastructure efficiency and performance is part of our core vision to improve energy conservation and enable a better, sustainable future. Our goal has always been to work with partners to design and manufacture industrial grade power and energy meters, sensors, advanced communications devices, and energy management

### **How Russia's energy minister plotted merger of country's oil majors**

Russia's energy minister has attempted to combine the country's oil majors in a sign of the power struggle at play over the Kremlin's key wartime revenue source, according to four senior

### **Russia's Great Energy Game in the Middle East**

The Russian Ministry of Energy has implemented measures to monitor and control oil production on a weekly basis, ensuring its production is reasonably close to OPEC+ agreed levels. Technically, the government cannot give orders to private businesses and even government-owned oil companies, comprising the Russian oil sector; they voluntarily
