The formula to efficient energy

A solar and battery system harnesses energy from sunlight using solar panels, storing excess power in batteries. This offers self-sufficiency while staying grid-connected, potentially even earning credits. Stable Energy. With battery backup from Alumo, you can truly enjoy the feeling of stable energy from unreliable power providers while

The formula to efficient energy

We live to educate, inspire and enable South Africans to break free and be more energy efficient in their homes, one home at a time. Alumo was born out of a need to change the energy status quo. With our over-reliance on fossil fuels, inconsistent power utilities and rising electricity costs, we knew a better solution was imperative.
