Who is San Marino security?

Phil, the owner of San Marino Security and a retired Sergeant from the San Marino Police Dept., personally came out to inspect our situation and consult with us about the best approach to take with our property.

Why did you choose San Marino?

Because I was impressed with his expertise and seemingly true interest in providing me with a quality security system and monitoring service, I chose San Marino to install and monitor my security system. The system was installed in 1 day by a knowledgeable team that took extreme care to minimize visibility of any equipment/wires.

How much would a San Marino land line cost?

Using San Marino would have required us to buy a traditional land line at a minimum of \$20 per month just for the security monitoring function. Description of Work: Described its' capabilities and technology and provided quote for security monitoring of our new house. This company came out on 08/06/13. Jim Anderson was the representative.

Does San Marino call the Lac Sheriff?

San marino only call the LAC Sheriff. Using San Marino would have required us to buy a traditional land line at a minimum of \$20 per month just for the security monitoring function. Description of Work: Described its' capabilities and technology and provided quote for security monitoring of our new house. This company came out on 08/06/13.

Why would you recommend San Marino securities?

All appointments were easily made, employees were punctual, helpful and there was easy communication throughout all phases. Their friendliness and patience with explanations was very much appreciated. We would absolutely recommend San Marino Securities and their service.
