Overview

Who is made energy?

MAKEEN Energy A/S | 25,193 followers on LinkedIn. MAKEEN Energy is a global, market-leading corporation in the energy industry. We are determined to play an active role in the transformation of the energy market, and this is why we develop responsible energy solutions that make a difference to people and planet.

Where are madeen energy's values rooted?

Although our values were shaped in Denmark, they are now deeply rooted in all of our locations around the world. MAKEEN Energy employees – whether they are production workers in Sri Lanka, supervisors in Brazil, or engineers in Denmark – are all encouraged to express their opinion, take ownership and realise their full potential.

Who is Makeen energy?

Inês Maria Correia Neto & Cláudia Beatriz Neto dos Santos Continuous Improvement Manager & Continuous Improvement Coordinator, MAKEEN Energy We are committed to a Continuous Improvement approach, emphasising process refinement and development of our people.

How does Makeen energy support the progress towards clean cooking?

At MAKEEN Energy, we support the progress towards #cleancooking by ensuring safety for both consumers and employees by offering innovative LPG filling solutions with advanced safety features. Let's advance clean cooking with a paramount focus on safety!.

Who owns Makeen energy filling machines?

Arch Holdings jumped in with plans for one of the country's biggest and most advanced filling plants to date. In 2023, Butagaz became the owners of the very first carousel-mounted MAKEEN Energy filling machines to replace their

aging filling machines. We look forward to seeing you!
