Solar battery housing Jersey

Solar battery housing Jersey

r/solar on Reddit: Trying to see if its worth it, got offered free

Solar company wants to charge you \$30,000 to buy out of the contract, even though you could purchase the same system brand new for \$20,000. Unless you saved \$10,000 in electric bills, you will actually end up losing money by installing solar. This scenario is very common and maybe even more so in 5 years if there is a downturn in housing market.
