Solar packages , Tango Energy

Reduce your electricity costs with solar Now is a great time to install solar, especially if you are spending more time at home, as a result of COVID-19. Many households are using more energy in the daytime - when the sun is shining and solar panels could be generating electricity for their home. Speak to a Tango advisor today.

Germany to boost expansion of rooftop and ground-mounted PV ...

Why should I read this? After months of discussions, German parliament has passed the law referred to as "Solar Package I" which was initially presented in summer 2023 by the Federal Ministry for Economic Affairs and Climate Action (see our previous client briefing here). With the Solar Package I, Germany aims to triple the annual expansion of photovoltaic ...
