Solaris energi Botswana

Overview

What is Botswana energy's strategic vision?

We have a 10-year strategic vision which outlines the transition from gas explorer to a vertically integrated energy business.” Kris Martinick, CEO. Botswana Energy Ltd is an Australian energy company focused on exploration and development opportunities for natural gas and renewables in Botswana.

How can Botswana improve its energy supply?

This includes increasing the supply and reliability of Botswana’s energy supply, reducing the cost of domestic electricity, reducing and ideally removing the need for Botswana to import external energy and creating a revenue stream through the export of cleaner electricity and sale of gas.

Does Solar World Botswana have a water system?

Solar World Botswana successfully revitalized and rejuvenated the water system at a resort farm located in Ranaka.
