### On Grid

In Sri Lanka, the Solar Grid Connected system is categorized into the following three concepts. silicon wafers that are used in many of major solar panels. LONGi was the only Solar Panel manufacturer to be named AAA-rated by the PV ModuleTech Bankability Ratings in the Q3 2020 rankings. (HJT) cell. LONGi recently announced the next

### REM Solar - Solar Panels & Renewable Energy Sri Lanka

Like most people in Sri Lanka I too was on the look out for a viable solution to the looming power bill. I came across REM Solar on FB amongst many other vendors all of whom I contacted . The response however was totally different from REM, the response to educate on the workings of the system was primary rather than to make a sale.
