### The 10 sunniest places in the UK, from Devon to Torquay

The grande dame of English seaside resorts continues to divide opinion. But whether you think of it as the ideal retro-getaway or merely an adjunct of London with a stretch of pebbles, there's no getting away from the fact that this is a town that does things its own way, even to the point of making one of its most diverting sites a derelict structure; the long ...

4. Djenné Source: flickr Grand Mosque of Djenne  
There are few sites in all of Mali - nay, all of north-west Africa - as impressive as the historic city of Djenné. Crowned at the center by the adobe rises of one fascinating Great Mosque, it is known for its distinctive mud-brick architecture and long history as a spot on the old caravan routes across the Sahel and Sahara.

### Sunniest Places and Countries in the World

Many of the world's sunniest countries are on the African continent, ranging from Kenya, east to Niger and north to Egypt. Other countries with sunny places are nearby Madagascar and United Arab Emirates. Only two countries outside of Africa and the Arabian Peninsula make the list of ten sunniest countries.

## [How Sunny Places works](#)

Sunny Places interests me due to the many system owners and their practical experience with the energy transition. My wish for the community is for it to be a pleasant platform where people can help each other, learn from each other, discuss important topics, and thereby run their systems more efficiently.
