Sunroom solar panel scam

Sunroom solar panel scam

[Solar panel cold calls to watch out for](#)

More than half of solar panel owners in our survey have been approached by a cold caller. Some were trying to sell them something unnecessary or even claiming something likely untrue. The most common cold calls about solar ...

American Solar scam calls and how to avoid them

American Solar scams and other types of solar panel fraud have had a negative impact on solar businesses, their customers, and even the industry itself. Many people who have received solar-based scam calls are ...

[Beware these solar panel cold calls](#)

Here are the cold calls and potential scams to avoid. More than a third of solar PV panel owners in our recent survey told us they have been cold called about their panels in the past five years. Most cold callers were trying to ...

[8 Common Solar Panel Scams to Avoid](#)

Some of the most common solar scams include promises that a team can start immediately, a

company that doesn't visit your property before installation day, lease agreements with terms that are "too good to be true," or ...
