an't recommend sunshine solar enough., 3kw inverter went wrong, it was 2 years out of the

warranty, I phoned for some advice, I think it was Mike who helped, he told us to return it and they would look at it, he phoned me back a few days later to say it had gone wrong and that they would send us a refurbished one with no charge. A big thank you to the whole team at ...

Power Inverters

Here you will find our range of off-grid power inverters. An off-grid inverter is connected to a battery or battery bank and converts the direct current (DC) from the battery to alternating current (AC), the power from the battery can then be used for running most 230V electrical appliances. Modified Sine Wave Inverters work well with the majority of electrical appliances, however if ...
