Hubble Cloudlink Remote Battery Monitoring Module

Amperion - SunStore will not be liable for product malfunctions as a result of incorrectly installed

systems. The Hubble Cloudlink is an optional add-on to the Hubble AM range of products. As long as the device is connected to Wi-Fi it will store all battery and inverter data to our cloud-server, enabling users to remotely monitor their power system.

[Victron Sun Inverter IEC](#)

The Victron Sun Inverter combines a sine-wave inverter and a PWM solar charge controller in one enclosure and is easy to install, with a minimum of wiring. The inverter allows you to power domestic equipment - requiring 230V AC - using 'leisure' or 'automotive' batteries rated at 12V or 24V. The solar charger ensures that the batteries are being charged by energy harvested from ...

sunstore Reviews , 5 TrustIndex , Hellopeter

Sunstore is a legit and as good as it gets! I checked up on Whatsapp what's happening and every time I called Tshepang knew exactly who was calling not only by name but by order number too! Payment as smooth and professional as you would like it. They under promise and over deliver on shipment dates, got my order before the expected date.
