Iceland Travel , Adventure Travel with O.A.T.

Fall in Iceland provides a preview of the long winter months to come, with rain, wind, and temperatures occasionally dropping toward 30 degrees Fahrenheit--but overall it remains mild and closer to 50 degrees. The Ring Road, which circumnavigates the country, remains open and allows visitors to see the entire island before winter weather

YPF desembarca en el negocio minorista de las energías ...

Desde hace tiempo YPF venía negociando con varias Pymes especializadas en la construcción e instalación de energías renovables con la expectativa de lanzarse a un segmento que hasta ahora parecía no interesarle: el domiciliario, comercial e industrial. Para sorpresa del mercado, la empresa llegó a un acuerdo con Sustentator para afianzarse en la venta de [...]

Iceland celebrated its 50th anniversary on November 18. But as COVID-19 swept the country, like everyone else, we celebrated quietly over lots of Zoom calls, and clapped for our carers of the NHS and beyond. Iceland was again named the UK's Best Online Supermarket in a survey by consumer champion Which? All thanks to our brilliant colleagues
