# Thin-film solar power backpack

## Overview

---

What are solar backpacks & smart bags?

Solar backpacks or smart bags use the sunny weather to consume and transform solar energy into electrical energy to facilitate such device charging, they combine low watt solar panels, power banks, and USB cords. Some even come with extra features such as bladders for hydration, anti-theft protection, and ventilation systems.

What are the best solar backpacks?

As one of the most subtle and elegant bags on our list, the Faraz Solar Backpack is ideal for both students and professionals alike. The backpack features an internal port for USB charging, an embedded front solar panel and multiple compartments for phones. It also includes anti-theft protection for those carrying valuables.

How does the haweel Solar backpack work?

The HAWHEEL Solar Backpack comes with a state-of-the-art solar panel that charges any USB device. Keep your laptops, cell phones, and tablets at full battery with the power of the sun, and enjoy the freedom of a truly portable, truly ease traveling. It also has a USB port with a built-in charging cable.

What is a solar backpack?

Most solar backpacks I've talked about so far are designed as daypacks for school or work. But the SolarGoPack stands out because it is more of a sporty backpack that is also solar powered. It features a hydration bladder that's perfect for hikes, bike rides, and long camping trips.

What is a fanspack Solar backpack?

The Fanspack Solar Backpack is a sleek-looking backpack with a detachable solar panel and a padded sleeve inside to hold laptops up to 15.6 inches safe and secure. It also a lot of room for personal items such as shoes, boots,

wallets, and keys on its compartments. The bag is made of oxford fabric, which is lightweight and waterproof.

What is in a Hanergy hiking Solar backpack?

This Hanergy Hiking Solar Backpack comes with a laptop compartment, water bottle and excellent options for organization. Clipping gear to this pack is easy on the outside of the bag, and the zippered pocket inside the hip belt is perfect for keys and other small items.
