## Are there really people who defend Eritrea's dictator? I'm not Eritrean ...

When ethiopia chills out, and starts practicing diplomacy Eritrea, AND Eritreas can think about the same. Democracy is not the end all be all of Africa, there are big problems in the continent than freedom of speech.

## Contact

Founded in 2011, Thinkpower New Energy (Wuxi) Co., Ltd. is an innovative solar inverter manufacturer, with brand Thinkpower, specialized in R& D, manufacturing, marketing for solar hybrid storage inverter, solar grid tie inverters, solar pumping inverters and solar kit solutions.

## **Eritrea: A Key Region in Ancient Human History and African**

Eritrea, Djibouti, and Somalia have been integral to African history for millennia, and their contributions to early human civilization, trade, and culture should be respected. The fact that these areas were inhabited by some of the earliest humans, and served as a conduit for migrations into the rest of the world, underscores their significance.

**Do you think that when the PFDJ falls that Every Eritrean will**

I think it depends on what the next leader or

government does to bring back its citizens. But likely is going to continue as it is if DIA transfers his power to his son. I hope his son be wise and may say enough is enough so we will focus on nation building grounded in rule of law and end the continuous blame for our own failures.

## About Us

At Think Power Solutions, Jesse leads the project controls department in their efforts to establish thorough, proven processes and provide Project Management Solutions to the nation's top utilities.
