Overview

Who is promoting rooftop solar installations under PM Surya Ghar scheme?

Mumbai/New Delhi: Tata Power Renewable Energy Limited (TPREL), a subsidiary of Tata Power Company Limited, has joined hands with Canara Bank to promote rooftop solar installations under the PM Surya Ghar Scheme.

What is Tata Power & Canara Bank's Rooftop Solar Initiative?

By leveraging Tata Power's extensive expertise and Canara Bank's financial outreach, the initiative aims to drive the adoption of rooftop solar systems and contribute to the government's renewable energy goals, making solar energy a viable option for households across the country. Be the first one to comment.

Who is Vikram Solar?

Vikram Solar is one of India's largest solar panel manufacturers, reaching 3.5 gigawatts of production capacity as of 2022. The company, which was founded in 2005, also offers engineering, procurement and construction services, as well as operations and maintenance services.

4 ???· The Reliance Power arm of Indian conglomerate Reliance has announced its NU Suntech division has secured 930 MW of solar generation capacity in a solar-plus-storage ...

India becomes world's third-largest solar power generator: Report

Global solar generation in 2023 was more than six times larger than in 2015, while in India it was 17 times higher. India's share of solar generation increased from 0.5 per cent of India's electricity in 2015 to 5.8 per cent in 2023. Pathways to decarbonising electricity show that solar will play a central role in the future energy system.
