

## Solar Energy South Africa

# Tonga soltec company

## Overview

---

### Who is Soltec?

At Soltec we are specialists in photovoltaic projects equipped with solar trackers, striving on a daily basis to build a future free of polluting emissions. Soltec was founded with the aim to create a clean, sustainable and fair world based on efficient photovoltaic power generation.

### What makes Soltec unique?

Since its creation in 2004, Soltec has grown to become a fully integrated company within the solar power industry. Soltec has clearly differentiated capabilities, making us a unique company within an industry which is constantly evolving worldwide and has the potential to change the electrical future of society.

### What is Soltec sfonex?

SFOneX. This dual-row horizontal single-axis tracker is the latest Soltec innovation in solar tracking solutions. With an impressive span of 410 feet, it is the largest double-row system in our portfolio. Manufactured with precision engineering and featuring a single-axis horizontal dual-row design, SFOneX is poised to be an industry benchmark.

### How many solar trackers does Soltec have?

The company has installed more than 18 GW of solar trackers worldwide, making it one of the largest suppliers in the industry. Soltec delivers cutting-edge solar trackers designed to maximize energy production, efficiency and safety. Let's build the future together!.

### Is Soltec closed for New Year's day 2023?

Please be informed that our office will be closed for New Year's holiday from December 29th 2023 to January 4th 2024. We will respond to your inquiry after January 5th 2024. Thank you for your kind understanding. SOLTEC is the

company to offer solution technology in pursuit of ultimate thin films.
