

Solar Energy South Africa

United Arab Emirates solek group

Overview

Who is solek group?

The SOLEK Group, founded by Czech entrepreneur Zdeněk Sobotka, stands as a global leader in photovoltaic energy production and supply since its establishment in 2010. Renowned for innovation in renewable and sustainable energy, SOLEK develops, builds, owns, and operates (IPP) solar power plants across Europe and Latin America.

How many employees does SOLEK have?

SOLEK currently employs 210 people. SOLEK HOLDING SE's business strategy consists of designing and building photovoltaic parks as well as owning and operating them.

What is solek doing in Chile?

In a landmark move, SOLEK secured an agreement in 2021 with financial giants BlackRock and Nala Renewables for the construction and operation (O&M) of 2 portfolio PV projects in Chile. Additionally, it secured financing from Natixis investment bank and CIFI for the construction of its own portfolio of projects also in Chile.
