Electrifying Vanuatu's islands using solar, powered by ...

Vanuatu's geography makes it difficult to create centralized energy systems, which leaves many communities and islands needing electricity, hindering development and forcing the use of fossil fuels for lighting. Only 20 percent of ...

Global, connected and easy: K2 mounting systems are used in

...

With the turn of the year 2020/21, the company is celebrating the global branding of K2 Systems, as the company name in the USA is being harmonised. Our US headquarters in California, founded in 2012, will now operate under the name K2 Systems and no longer Everest Solar Systems. Trademark restrictions had previously prevented this until now.
