Venezuela floor standing enclosure

Venezuela floor standing enclosure

Vertical Dividers For Floor Standing Enclosures, CDV

Feature: Zinc plated steel vertical dividing profile for the partial door system for floor standing enclosures. Advantage: The profile provides vertical separation in order for the opening at the enclosure's front to be divided into sections using partial doors or panels for installing either cables or busbars.

Rittal Floor Standing Enclosures , RS

Rittal floor standing enclosures are used in a wide variety of industrial settings and offer protection against dirt, dust, and other substances that could easily damage the contents within the enclosure. Rittal Floor Standing Enclosure Benefits: Minimal amount of space taken up; Fitted with a locking system for security

Compact Aluminium Floor Standing Outdoor Enclosure, EKOM

The aluminium double wall compact floor standing enclosure range, EKOM, with IP 66 protection degree for outdoor use, is available off the shelf in many different sizes. Components inside the enclosure are well protected through the high protection degree, but also by anti-vandalism features and high thermal management efficiency. These factors all contribute to eliminate the ...

Modular Single Door, MCS with Plate, 2000x800x800mm, Light ...

Feature: Mild steel single door combinable floor standing enclosure, available in a wide range of sizes, with a IP 55 protection degree. Advantage: A flexible solution where customers can choose enclosures that meet their size requirements, off the shelf, in order to create enclosure configurations made up of smaller individual enclosures.
