[Research & Development](#)

Verdant Energy Solutions employs an
experienced team of Ph. D, M.S., and B.A.
chemists to regulate and develop our inventory.
The chemists routinely engage in a multi - step
synthesis of materials using a wide variety of
processing routes to formulate new products and
discover new improvements for our existing

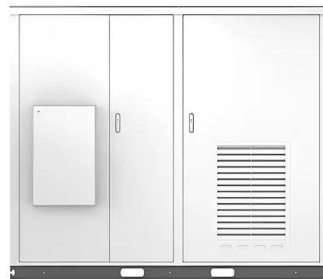

products. Palestine TX

Scale Inhibitors -- Verdant Energy Solutions

The Verdant Energy Solution: It is possible to prevent the precipitation and subsequent deposition of mineral scales from produced brines by continuously injecting a product based on a Verdant Energy Solutions scale inhibitor intermediate into the annular space some instances, a formation squeeze with the scale inhibitor may be more appropriate.
