Zimbabwe solar energy ltd

Overview

Who is registering a solar company in Zimbabwe?

The following register of solar companies has been prepared by the Zimbabwe Energy Regulatory Authority (ZERA) for the convenience of all persons who may require solar equipment or apparatus or require advice and assistance on solar related issues in Zimbabwe.

Can Zimbabwe become the voice of solar energy?

We aspire to become the voice of solar energy. Zimbabwe needs about 2,200 megawatts of electricity at peak consumption but generates just bel 1,300 megawatts, while relying on imports to fill the gap. Due to ageing equipment, power generation often disrupted following breakdowns. In most cases, the generators operate below capacity.
